Waratah Public School

RESPECT RESPONSIBILITY LEARNING

Waratah Public School offers outstanding education in a nurturing environment.

Our dedicated teachers provide effective teaching and learning programs that meet the learning and social needs of all students. Stimulating gifted and talented programs are provided for high achievers.

We have a long and proud history of providing students with quality education in a safe, happy and positive environment.

Our core beliefs of Respect, Responsibility and Learning underpin every area of school life.

Strong relationships with parents and the wider community ensure successful outcomes for all students.

We are a member of the Callaghan Education Pathways - schools working together to provide:

- Continuum of Learning
- Specialised Learning Environments
- Innovative Learning Experiences.

Welcome to our Learning Environment

At Waratah Public School we provide:

- Innovative education for tomorrow's leaders
- Many highly successful programs
- Spacious, attractive grounds
- A focus on early learning.

Innovative education for tomorrow's leaders

Waratah Public School is a welcoming and friendly school where parents are valued partners in their child's education.

We prepare our students for life-long success through effective student care and self discipline programs. Students are encouraged to make positive behaviour choices and take responsibility for their behaviour.

We engage all learners by integrating technology to enrich learning experiences. Utilising this range of technology programs prepares our students for their future.

Classrooms are well appointed with electronic white boards. Two computer labs allow students to experience IT through a co-ordinated K - 6 approach.

We are handsomely supported by an active, energetic Parents and Citizens Association that contributes to the school's resources.

Our well equipped library is the hub of learning with computer pods, electronic board and a whole range of age appropriate texts available to all students.

Our play areas invite students to be active and play together.

We provide many highly successful programs

- Waratah Public School develops well-rounded confident students through our cultural, sporting, performing arts and teaching and learning opportunities.
- Superior opportunities in Performing Arts including school choir, dance groups, StarStruck, Regional Dance
- Students represent the school proudly in interschool sporting competitions
- Many students represent at zone and regional sporting carnivals
- Those students that are gifted or talented are challenged and extended by special mini study workshops
- Support is in place for students with disabilities - Support Teacher Learning Assistance, School Learning Support Officers

Spacious attractive grounds

External learning areas are open, shady and appealing. The playground is very inviting with three sets of fixed equipment (for different aged students) and plenty of space to run.

Focus on Early Learning

A unique feature of our school is the focus on the early learning years. We have:

- an integrated preschool that caters for children in either three day or two day sessions
- an Early Intervention support class for preschool students with disabilities
- large, well equipped, bright kindergarten rooms
- separate kindergarten play areas - covered COLA area, fixed equipment in kindergarten playground.
