Good for Kids, Good for Life—Preschool

The Good for Kids, Good for Life team is coming to speak with preschool parents about perceived barriers to packing healthy lunchboxes. They will set up a display at our preschool from **2:00 pm on Friday 8 December, 2017** with the aim to have an informal chat about the barriers that parents may be experiencing, and to provide some feedback and support regarding these. We will also have some samples of healthy snack alternatives, information about fussy eating, price comparisons, and some information about how to interpret nutrition panels on food products.

Everyone is welcome to come and have a chat at this time.

Nutrition Snippet

The simplest way

...to stop junk food advertisers in their tracks.

Cancer Council NSW recently launched the **Our Kids, Our Call** campaign – to increase awareness and build community support for tougher junk food advertising regulations.

Did you know kids pester their parents on average 15 times in every supermarket trip and they are successful in half of these attempts? Marketers target your child with memorable slogans, logos, jingles, characters and highly appealing packaging designed to encourage your kids to pester.

Visit **ourkidsourcall.com.au** and get behind this campaign – let's stop junk food advertisers targeting our kids.
