

Waratah Public School

Leading the way in Education!!!!

We are thrilled to announce that one of the greatest educational brains the world has ever seen, Mr John Joseph, is coming to Waratah Public School.

Advancing the Understanding of the Brain, Learning, Memory and Behaviour

From humble beginnings as an early school-leaver and tradesman, Mr John Joseph now holds one of the most impressive education CVs in the education world. His focus is on learning: how it happens, how to maximize it, how to inspire it in students and practical strategies to enhance it.

It is with such excitement that our school is giving our community the following opportunities to be involved:

Teachers

Monday 17 July Staff Development day, teachers and Principals from around the region will be coming to Waratah Public School to be involved in Professional Learning Workshops: **Neuroeducation: Learning with the Brain in Mind**

Students

Thursday 20 July our **Stage 3** students will be involved in the “**Mind Your Brain**” full day Student Workshops. Usually costing around \$25 per student, but our school will not be charging our students. It's such a worthwhile experience.

Parents and Carers

Thursday 20 July 6.00 pm—8.00 pm, in the school hall:

Workshop: Parenting with the Brain in Mind

Usually costing around \$20 but free to the parents of Waratah Public School students. We only have limited seating so please put your name down at the front office, where you will be issued with a free ticket to secure your seat. This would also be beneficial for older students, especially teenagers and young adults so please feel free to bring them along. If you have any trouble finding baby sitters for children under 10 please let the front office know.
